

# Enroll today in Green Star. Invest in your Future!

Help your business *shine like a star* by joining hundreds of other organizations across Alaska and the United States who have found that Green Star can help reduce waste, save money, and attract customers.

Green Star is a voluntary program created by the Anchorage Chamber of Commerce, Alaska Department of Environmental Conservation, and the Alaska Center for the Environment in 1990. A nonprofit organization, Green Star encourages organizations to incorporate techniques of waste reduction, energy conservation, and pollution prevention through the Green Star Standards. The Green Star Standards are straight forward and attainable for any business regardless of size or type.

### Shining Stars:

*Every year Green Star members cut costs.*

\* **The University of Alaska Anchorage** reduced the amount of hazardous waste it generated and cut its annual hazardous waste disposal costs from \$20,000 to \$2,000.

\* **Delta Airlines** reduces paper waste by recycling over 5000 lbs. of newspaper, magazines, office paper, and cardboard each month.

### Participation will bring you numerous benefits:

- \* Lower energy and waste disposal costs
- \* Reduced environmental liabilities
- \* Higher standing in many bid contracts
- \* Green Star workshops and technical assistance
- \* Green Star decals and logo usage
- \* Free publicity through TV, radio and newspaper coverage
- \* New customers and community recognition

### Easy Award process:

- 1) Fill out the form below and send it to us. You will receive the Green Star Standards.
- 2) Accomplish at least twelve of the eighteen Green Star Standards.
- 3) Submit a description of the actions you have taken to fulfill each of the Standards.
- 4) After reviewing your information, the Green Star Standards Committee will visit your facility.
- 5) Once approved by the Committee, you will receive your Award and public recognition.
