

GREEN EVENTS

ABOUT THE GREEN EVENTS PROGRAM

Do you have a special event coming up?

Do you wish you could recycle at the event but you just don't know where to start?

Let Green Star help you make your event a **Green Event**. Green Star will provide all the necessary bins, signs, and materials needed to make your event a **Green Event**.

As a **Green Event**, you will demonstrate to the community that you care about the environment and our great city. Let's face it, many venues don't recycle. This means you end up throwing away a lot more than you would like and wasting resources

Green Events makes recycling of a wide range of materials possible, including aluminum cans, plastic bottles, plastic film, corrugated cardboard, mixed paper, and even compostables.

Best of all, **Green Events** is free. Green Star loans bins to you for the length of your event. Each bin is marked with attractive recycling labels that let others know you have made that extra effort to recycle at your event.

We also provide information about companies that can transport recyclables if your staff or volunteers are not able. Any donations to support this Green Star program are welcome.

Let the community know you care about the environment and become a certified **Green Event**. For more information, contact Green Star at 278-7827 or info@greenstarinc.org or visit us at www.greenstarinc.org.

Whatever your special event, you can make it GREEN.

Balls, Banquets, Bazaars, Carnivals, Concerts, Conferences,
Conventions, Craft Shows, Exhibits, Fairs, Festivals, Luncheons,
Markets, Meetings, Open Houses, Parades, Parties, Performances,
Races, Receptions, Sporting Events, Trade Shows, Weddings
