

# GREEN EVENTS

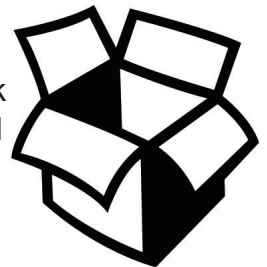

## RECYCLING RULES

### Dear Vendor:

This event is a certified Green Event. This means a recycling program is in place and we would like you to participate. We hope you will help us to recycle successfully by following these basic recycling rules. Please post this flyer in your booth so all of your staff is aware of the recycling program.

### **CORRUGATED CARDBOARD**

As you empty and discard cardboard boxes, please break them down and stack the flattened cardboard near your booth. Recycling volunteers will collect it and take it to storage areas. If you wish to keep boxes for repacking, do not break them down. Volunteers will take only flattened cardboard from your booth.

### **BOTTLES AND CANS**

Place all empty aluminum cans and plastic bottles in the appropriate bins throughout the facility. Materials may be collected separately or in the same bin, depending on the event.

#### *Aluminum cans*

Please include only empty aluminum beverage cans in the bins labeled ALUMINUM CANS ONLY or BOTTLES AND CANS ONLY.

#### *Plastic bottles*

Please include only plastic water and soda bottles with the  symbol in bins labeled PLASTIC WATER AND SODA BOTTLES ONLY or BOTTLES AND CANS ONLY.

PETE

### **MIXED PAPER**

Place office and mixed paper in the bins labeled MIXED PAPER ONLY. This includes copy paper, glossy flyers, newspaper, paperboard drink trays and other paper items.

**DO NOT RECYCLE FOOD SERVICE ITEMS  
SUCH AS NAPKINS, PAPER PLATES, OR PAPER CUPS.**
